

TEACHER'S ASSISTANT PROGRAM

“Students in the Teacher’s Assistant Program intending to pursue employment in Childcare Centre’s can do the *free of cost Orientation Course for Childcare Staff*”

Childcare Orientation Course Link: [Orientation Course for Childcare Staff – Home \(basecorp.com\)](http://basecorp.com)

The Childcare Orientation Course is non-credit and reviews aspects of early childhood development and the role of the caregiver. This course is funded by the Government of Alberta with no cost to the participant.

The Orientation consists of 18 Sessions covering a range of topics such as providing play, observing and guiding behavior as these ideas relate to working with young children in a childcare setting.
